DOCKET NO. HLP-2021-0001

IN RE:
SUMMIT CARBON SOLUTIONS, LLC

NOTICE OF CONCLUSION OF EXHIBIT H FILINGS

In its June 17, 2022, Order Addressing Motions, the Board found it was premature to set a procedural schedule in part because the filing of Exhibit Hs was yet to happen. By this filing, Summit Carbon Solutions, LLC provides notice to the Board that as of September 13, 2022, it has filed an Exhibit H identifying all presently known parcels over which it may request eminent domain (although there will likely continue to be a small number of filings for amendments or corrections to parcels already identified). With this Notice, Summit Carbon is also filing a complete set of County Overview maps and an updated .KMZ file.

Notwithstanding the filing of Exhibit Hs, Summit Carbon will continue to work with landowners in good faith to obtain voluntary easements over those parcels and anticipates it will begin filing withdrawals of Exhibit Hs next week.

Respectfully submitted this 15th day of September, 2022.
